

MEMORANDUM FOR: Mr. Bowie

Attached is a draft of what we call "Rhodesia I" -- the statement of current analytical opinion that I mentioned to you a week or so ago. This draft is the product of an interagency committee; we are now circulating it to the larger group of "Rhodesians" for correction of facts and major amendment, if any. We hope to get it out next week, as soon after 1 May as possible.

Date 27 April 1979
